A Word About Tulips ~

The issue of our annual fall catalog has been delayed owing to the uncertainty of arrival of Dutch Bulbs from abroad. At this time it seems unlikely that any bulbs will arrive from the Netherlands.

Although we grow many thousands of fine quality bulbs in more than 200 varieties right here in Benton Harbor, the demand has so far exceeded the supply that we are practically sold out on the leading varieties in top-sized bulbs.

In view of the limited quantity available, we offer our Tulips in special collections and mixtures only.
